A Message from Executive Director, Jocelyn Skolnik

El Sol celebrated its 9th anniversary in Jupiter in 2015 with record hiring rates in our Labor Program and new program development. In 2015 the Sunshine Organic Community Garden celebrated its second anniversary, we began a satellite program at Jupiter High School for Spanish Literacy, and we launched two pilot programs to serve our families; a 6-week summer camp and a School for Parents. El Sol was awarded the Nonprofits First Certificate of Excellence for our organization, the Northern Palm Beach County Chamber of Commerce Nonprofit of the Year, and the Hispanic Chamber of Commerce Triunfo Nonprofit Business Award. We invite you to read our annual report and join with us in seeing that El Sol shines brightly in Jupiter and our community.
