I. LETTER TO THE TOWN

September 30, 2021

Dear Town of Jupiter Council Members,

As part of its lease with the Town, El Sol is pleased to submit its third quarter report for 2021.

Over three thousand jobs were filled during the months of July, August and September. 84% of workers coming in to El Sol each day are finding work. The majority of job requests continue to be in landscaping, general construction and moving. Our Case Management team processed 468 visits this quarter including 75 new worker registrations and 74 renewals. Crisis funding due to Covid continues to be a need within our community.

An exciting project we worked on these months was the renovation of our Sunshine Organic Community Garden. With the support of a grant from Lost Tree Village Charitable Foundation, Cliff Ross our Garden Coordinator rebuilt each individual plot. Originally made out of wood, these were rotting away and in dire need of replacement. The new plots, made out of corrugated galvanized steel, are the same size but deeper. Our clients spent several hours helping fill each bed with soil and soon we had fresh produce and flowers growing again. This important program provides access to our community to affordable, fresh, organic produce to support health eating.

Adult education programs continue growing. This period we handed out 156 vocational training certificates to participants in workshops like painting, bike repair and placement of hurricane shutters. We also started a new cohort of students at the NCCER (National Center for Construction Education and Research) at Palm Beach State College. Students pass a core constructions course and then can move on to Level 1 courses in topics like Electric and HVAC.

The impact of our programs and services is detailed here. According to the Independent Sector website, the estimated national value of volunteer time for 2021 is \$28.54 per hour. This is the amount we assign to calculate the value of volunteer hours in our programs. Professional Volunteer hours such as Legal or IT are valued at higher rates.

We are always very appreciative for the Town's support of El Sol and for allowing us to continue providing services to our community. I hope you enjoy reading about the work we are doing. Please let me know if you need any further information.

Respectfully submitted,

Suzanne Cordero
Executive Director

The Labor Program expanded in 2021 within the CDC Social Distancing guidelines. The Case Management Program provided Case Management support throughout the Quarter.

To calculate a self-sufficiency score, the Case Manager interviews the workers on nine different categories from food assistance to education and employment. From their answers, the Case Manager calculates a baseline for the status of the workers' self-sufficiency. The lowest score is zero and the highest score is 45. Our goal is for workers to learn more about the resources available in the community, improve their work potential, improve their education, and improve their knowledge of the medical and legal resources available.

A follow-up by the Case Manager after six months will provide insight into how the worker is integrating and improving his or her self-sufficiency within our community. In the chart below we have shown the number of Total Worker Visits Processed through Case Management every month.

a. Community Service

This quarter, El Sol held a community service event in the garden. The community service event was to fill our garden floor with mulch. The group volunteered a total of 44 hours to El Sol Garden, valued at \$1,256.

b. Community Events

1. Special Events

i) El Sol 15th Anniversary Celebration

Community leaders, volunteers, donors, staff members, and other Friends of El Sol joined us on November 5 2021, to celebrate our 15th anniversary.

ii) Thanksgiving food distribution

75 baskets filled with Thanksgiving dinner foods were assembled and distributed to the El Sol community the week before Thanksgiving. Food was donated and purchased for the event.

iii) Santa in the Park

El Sol partnered with the Town of Jupiter Police Department to hold our annual Santa in the Park event. On December 18th we held a Santa in The Park Gift Wrapping Party and the Santa in the Park Event was on December 11th, 361 local community children were able to pick up toys and bikes for the Christmas holiday.

c. Town of Jupiter Presentations

The Code Compliance Team from the Jupiter Police Department for a meet and greet on November 17th; the new code office and new administrative assistance we introduced to El Sol’s Staff. The code compliance presentations will resume in 2022.

d. Volunteers and Interns

In the Third quarter of 2021, a total of 48 El Sol volunteers gave 1,776 hours of their time, which is valued at \$50,870. This calculation includes 1,634 regular volunteer hours, 128 Intern hours, and 15 Professional IT Volunteer hours.

Volunteers log their hours in a log book at El Sol or call in their hours if they were working from home. El Sol enters their time and tracks their hours through Salesforce.

Many of the hours listed above are accounted for in the different programs described in this report. The rest of the hours are contributed by volunteers that provide many different services such as administrative, assist with special events and committees; teach Spanish classes, write grants and develop strategies, and much more. Their contributions are summarized below under the category “Other.”

For the Third Quarter of 2021, the total number of volunteer hours contributed for operations that are not otherwise mentioned in this report were 143. One Professional IT contributed 15 hours to El Sol. The El Sol Intern program has 3 Interns who provided 128 hours of service.
